

## “Work it Off” Scholarship program

The WYB Board needs your help getting Morris Park ready for play.

You can trade 5 hours of your time for your child’s playing fee\*

(5 hours per child, so 2 children requires 10 hours) \* Subject to WYB Board Approval

We plan to hold 2 work days on March 19 & 20 from 9:00 am to 2:00 pm.

We need help:

- Raking up leaves
- Sweeping out dugouts
- Pruning back overgrowth
- Picking up garbage
- Lining garbage cans with liners
- Removing weeds from the dirt infields and warning tracks
- Stocking up the equipment sheds
- Hanging up the green backstop pads
- Painting the dugouts
- PVC / Sprinkler repair
- Place hoses at each field
- Hang batting cages
- Edge and remove excess grass around infields and warning tracks

Print this page and bring it with you to the work day. An authorized WYB board member will sign it, validating your hours and credit toward playing fee(s). Submit the signed portion to the WYB registrar anytime before April 1.
